

# Enhanced Management Information System Support for Farmers

“Focused on Your Success”

“Committed to Excellence”

## 1. Assess: the activity, the deliverable & the frequency

- Aligning and supporting your information system abilities with your management needs

## 2. Building and supporting an information system, not a project

- Monitor, Train, Adjust, Report, Analysis, Consult
- Tax, Accrual, Managerial & Market based on your needs
- Period Summary, Dashboards, Annual Meetings, Budgets
- One System One Price – Aligned to your needs

## 3. Customized to your farm

- Builds off of FBS Systems & Ag Compass or other Remote Connection
- Your organizations abilities and time synchronized with ours
